will not be visible to the northward of the line of bearing of W. by S. extherty.

Mastres of vessels drawing more than 14 feet water should adhere to the old rule which requires that the lower light shall be kept in such when approaching the shore; and insiders and pictic of all vessels not bound to Folk-tone bather are now instructed to stand off numediately the high light kiangpears. By order.

As the steamship Crescent City approached the mouth of the Mississipp, on her outward trip, the revolving light at the Middle Pass was noticed to revolve very irregularly, sometimes disappearing as long as eight minutes or more. As she left the Bar bound home, the light had grown worse, and was held on one occasion for more thin an hour, though the night was clear. Vessels will therefore have to be earthous running for the Middle Pass.

Packet of Name of Name of Terral Loan. — Ten per cent. Bonds of \$1,000, with coupons, payable semi-annually, in the City of New York, redeemable on lat November, 1992. The understaged President of the Mountain Lake Water Company, of the City of San Francisco, in the State of California, will receive sealed proposals at the office of Mesurs. DIAS & THOMAS, No. 52 Wall-st., in the City, of New-York, until Thursday, the 4th day of November, 1862, at 2 o'clock P. M., for the whole, or any part of the above-mentioned Loan, which will bear an interest at the rate of 10 per cent. per annum, payable semi-annually, in the City of New-York, and be redeemable in the lat day of November, 1862, at the same place.

The understaged will avail himself of the usual privilege of rejecting conditional bids, and of decilming such as he may not deem advantageous.

Bids should be directed "Proposals for San Francisco Water Ronds," and sent to the subscriber.

Twenty per cent. and the premium will be payable on the day after opening the bids, and the balance, with accrued unterest, may be paid at the option of the bidder, any time before the 1st day of February next, thus giving capitalists en opportunity to secure a most reliable and permanent investment, without precipitately disturbing their financial arrangements.

The debt created by the issue of these Bonds is for the purpose of paying for the necessary pipes and fixtures, more than sufficient means being already provided for the purpose of bailding the dams, reservoirs, laying the pipes, and completing the works: the entire capital of the Company (SO(1600) having been subscribers embracing many of its most swealthy and respectable merchants and bankers. This is the first and only debt of the Company, and the repayment of the same is secured by the transfer, in trust, to James B. Bond and William M. Burpovne, of all the property and franciscs of the Company will

NOTICE TO CONTRACTORS—OFFICE NOTICE TO CONTRACTORS—OFFICE OF THE DAYTON AND CINCINNATI (SHORT LINE) RAILROAD COMPANY.—Cincinnati, September 20, 18/22.—RAILROAD COMPANY.—Cincinnati, September 20, 18/22.—RAILROAD LETTING—Scaled proposals will be received at the Office of the Company, situated on the scuth side of 6th-st. between Mann and Walmut, until Wednesday, October 20, 18/22, at 5 o'clock, P. M., for the preparation and construction of section No. I of the road of said Company ready for the superstructure. This section is the heaviest on the line, and embraces the excavation of a tunnel measuring some six thousand feet in lengths; with two thousand feet of arched approaches in addition, and from two to four miles of the road bed. The job of masonry on this section will be heavy, and the whole offers to responsible and energetic contractors one of the most extensive and compact sections of work ever offered in the West. The tunnel passes through stratified biase fossil linestone and indurated mark, and will be of a width to accommodate double tracks, walled with stone, and arched with brick. The Company desires that the work shall be commenced as soon as possible after the letting, and completed at the earliest practicable period. Other portions of the work are in course of preparation for letting, and if adjusted may be offered at the same time. The plans and specifications will be ready for inspection at this office at least two weeks prior to the letting. By order of the Board of Directors.

ARGE and PEREMPTORY SALE of about 125 BUILDING LOTS on 9th-av., 9th, 95th, 96th, 96th, sale, and 95th-siz, in the XIIth Ward of City of New-York, at AUCTION.—A. J. BLEECKER will sell at Auction. on WEINESDAY, Oct. 20, 1852, at 12 o'clock, at the Merchants' Exchange, the following very desirable property, viz:

On 9th-av.—80 Valuable Building Lots, including 19 corner Lots, and forming nearly the entire front of 11 Blocks of Ground, strusted on both sides of 9th-av., and extending from near Sid-st. to 98th-at.

Also, about 45 Lots of Ground directly in rear of the above, fronting on 94th, 95th, 96th, 97th, 98th, and 99th-sts.

The above Lots are nearly all full size, beautifully situated for immediate improvement, and as the ground is free from rocks, dry, level, and graded by nature, they are admirably adapted for Building purposes.

The situation of the above Lots is most desirable, being extremely healthy, and adjoining the House and beautiful Grounds owned and formerly occupied by Colonel Thorn, and are, without doubt, the most choice and desirable Lots for Private Residences on the Island, and it is probable there will not be for some time a sale of Real Estate where such safe, profitable and judicious investment of capital can be made.

The Title is perfect and free from all incumbrances, and

PEREMPTORY SALE of DESIRABLE BUILDING LOTS at PIERMONT.—COLE & CHILTON will seil at auction, on TUESDAY, October 35, 1852 at 12 o'clock, at the Merchants' Exchange, 153 desirable Building Lots, at Piermont, on the west beink of the Hadson River, nearly opposite Dobba Ferry.

Formont is proverbially healthy, and for variety and beauty of scenery is not excelled by any place on the banks of the Hudson. The population, which is estimated that of the failure of the country is rich and well cultivated. The disadvantage interest country is rich and well cultivated. The disadvantage interest occasioned by the shallow water near the shore, the want of a commodicus landing independent of the railroad pier, and the consquent defect of technities of frequent intercourse daily with the City of New-York, is now obviated by the construction of a wharf for the accommodation of steamboats passing up and down the river, and of a ferry to the opposite shore, to connect with the trains of the Hudson River Railroad. The loss to be offered for sale are situated at an elevation of 8to 109 Set above the level of the river. They are accessible by three different roads. Many of them afford good views of the river and of the opposite shore.
